

Capability Statement

2Alpha Training Group

Precision Training. Proven Results.

CORE COMPETENCIES

2Alpha Training Group (2ATG) provides advanced firearms, tactical training, and security consulting services. Our instructor cadre includes U.S. Special Operations veterans and highly qualified ex-military members with combat arms experience, Embassy Guard backgrounds, Executive Protection credentials, competitive shooting expertise (USPSA/IDPA), and certified shooting coach designations. We deliver performance-focused, mission-relevant instruction to military units, law enforcement agencies, government organizations, and private sector clients — CONUS and OCONUS.
